February 16, 2009

Dear Colleagues and Supporters of School to Career!

Greetings from our Partnership. We write to invite you to participate in our Spring Career Fair scheduled at the Jr.Sr. High School (for students in grades six through twelve) on WEDNESDAY, APRIL 8, 2009 from 8:00 a.m. until 11:15 a.m. We welcome you at 8:00 a.m. for light refreshments and time to set up your demonstration in the gymnasium. The program runs from 8:30 a.m. until 11:15 a.m. during which time students will approach you at your table. Hopefully they will be prepared to ask meaningful questions and to interact with you. Hands-on demonstrations and/or handouts are popular. We can supply power if you wish though you will need to bring your own extension cord(s). You may wish to bring a table cover, too.

The fair is a wonderful opportunity for you to share your expertise about your work with very curious and motivated students, as well as a chance for you to showcase your company/organization/discipline and network with other professionals. There is no charge to participate.

Please help spread the word. Special requests thus far from faculty and students include: forensic specialists, health professionals, carpenters, engineers, criminal scene investigators, plumbers, electricians, "the trades", fine and performing artists, sound recording engineers, computer programmers, restaurant owners/chefs, veterinarians, writers, landscapers, marine biologists, meteorologists, professional athletes, computer animators, game designers, automotive workers, hair stylists, fashion designers, graphic designers, journalists, and videographers, among others.

We hope to hear back from you indicating that you wish to participate. Then we will send a confirmation packet. Thank you!

Sincerely,

Nancy Winterbottom, Coordinator
